### **Additional Highlights:**

**Student Wish List:** Students can browse the books and create a wish list on the first day of the fair. The wish list will go home for your review; you can select your payment option at this time. The next day, students will visit the bookfair to finalize their purchase.

**Teacher Wish List:** Our teachers will also create a wish list to build up their classroom library. Please consider donating by stopping at the Teacher Wish List table at the event and/or browsing their selections online.

### **School Incentive Program:**

Our school receives rewards for every book purchased during and after the fair. Continue shopping all year long on the Ignatius Book Fair website to help us earn free books for our school. Each purchase from the Ignatius Book Fair benefits our school, allowing us to enhance our library resources and reading programs.

Should you have any questions, please do not hesitate to contact the Book Fair Organizer.
